Tashkent, 2015-11-27

Dear Sirs,

Herewith we express our satisfaction with the highest quality of services, provided by the Animals Breeding and Insemination Station Limited Liability Company (Stacja Hodowli i Unasieniania Zwierząt Sp. z o.o.) in the city of Bydgoszcz, ul. Zamczysko 9a 85-868, Poland. The basis for the contacts with the SHiUZ Sp. z o.o. company in the city of Bydgoszcz is the reliability and professional skills combined with the personal interest in cooperation and response to the individual needs of the customers. The company has been our partner for many years in the sphere of:

- Implementation of the program of milk and meat cattle breeding
- Trading the biological material: bull and swine semen, animal stock embryos
- Training in cattle and sow insemination
- Training in embryo transfer and obtaining of cattle embryos
- Genomic assessment of animal stock

The factor for the choice preference of SHiUZ Sp. z o.o. company in the city of Bydgoszcz, in our view, was not only the practical considerations, but, which is more important, the innovative and progressive approach demonstrated by the Company in question.

During the period of our cooperation, the Company approved itself as a reliable and trustworthy partner, which can be recommended as a professional goods and services provider.

A perfect business card of the SHiUZ Sp. z o.o. company in the city of Bydgoszcz means the adequate services, professional and qualified personnel, providing a complete understanding of all our needs.

Partnership with the SHiUZ Sp. z o.o. company in the city of Bydgoszcz may be sincerely recommended by us, as being a successful and trustworthy relationship.

Sincerely,

V-ce Chairman of The Board "XSU" MCHJ QK Ltd.
